

835 Enrollment UHC

EI Billing Providers:

REMINDER: *EI Billing Providers should complete the process to enroll to receive 835s from United Health Care (UHC). See below for details on how to confirm enrollment with UHC. **Note:** If you have already confirmed enrollment with UHC, no further action is needed.*

The State Fiscal Agent – PCG – has automatically enrolled EI Billing Providers to receive 835s from UHC. All enrolled providers should have received an email from UHC asking the provider to confirm enrollment. If you did not receive an email from UHC, please send an email to NYSFAEIP@pcgus.com stating this. Please include your provider name and NPI number in the email.

Following enrollment in the 835 process, BEI will be ending manual entry of EOBs for all EI Billing Providers. The SFA will work to guide you through this transition as seamlessly as possible, so that all EI Billing Providers can begin experiencing the multitude of benefits offered by the 835 process.

If you have any questions about the enrollment process, please contact the PCG Customer Service Center at (866) 315-3747.
