Using Emdeon Vision's Vendor Enrollment Wizard, the State Fiscal Agent (SFA) can enroll providers for 835s for the payers listed above. Through Emdeon's Vision Suite, the SFA can enroll providers for 835s, generate Change of Vendor Forms, and view the current status of payer registration activity for a Tax ID or NPI number.

The SFA will automatically enroll providers in the listed payers' service areas. **IMPORTANT:** If you do not want to enroll to receive 835 remittance data for these payers, you have up to **five (5) business days** to submit an opt out request to the SFA via email. All opt out requests can be sent to NYSFAEIP@pcgus.com by COB November 27, 2015, and must include the provider name and NPI number.

Reminder: Following enrollment in the 835 process, BEI will be ending manual entry of EOBs for all EI Billing Providers. The SFA will work to guide providers through this transition as seamlessly as possible, so that all EI Billing Providers can begin experiencing the multitude of benefits offered by the 835 process.

If you have any questions about the enrollment process, please contact the PCG Customer Service Center at (866) 315-3747.
