A **Notice of Parent Declination to Provide Insurance Information to the Early Intervention Program Form** must be completed by the Service Coordinator when a family declines to give insurance information.

The completed form must be sent to:

New York State Department of Health  
Bureau of Early Intervention  
Corning Tower, Room 287  
Albany, NY 12237  
Fax No: 518-486-1090

# How to obtain insurance information...

  - If yes, ask the parent for their first and last name, date of birth, and name of the employer.
- Ask the child's family to verify the child's gender, date of birth and correct spelling of the child's first and last name.

# IMPORTANT

**Please do not use smartphones, cell phones, tablets, portable scanners, or any other personal electronic devices to capture a child's personal and/or insurance information.**

# What is Regulated and Non-Regulated?

Regulated insurance plans are overseen by the New York State Department of Financial Services and are subject to New York State Insurance Law with regard to the Early Intervention Program.

Non-Regulated insurance plans are **NOT** overseen by the New York State Department of Financial Services and are **NOT** subject to New York State Insurance Law with regard to the Early Intervention Program.

For a list of NYS Regulated and Non-Regulated insurance plans:  
<https://support.eibilling.com/KB/a131/regulated-insurers-list.aspx>

# How to Determine if an Insurance Plan is Regulated or Non-regulated by NYS Insurance Law

## Helpful Information Prior to Calling a Payer

- Plans that are issued or written outside of New York State are **NOT** regulated by NYS Insurance Law
- Blue Cross/Blue Shield plans that are issued or written outside of NYS are **NOT** NYS regulated insurance, even though the claims are sent to the local address for processing
- Health Saving Plans, Health Spending Accounts, Flex Spending Accounts, and Health Reimbursement Accounts are **NOT** insurance health plans
- Self-funded plans are **NOT** regulated by NYS Insurance Law (*except if listed on the NYS Regulated Health Insurance Providers List*)
- Child Health Plus Programs **ABIDE** by the protections of NYS Insurance Law

# How to Determine if an Insurance Plan is Regulated or Non-regulated by NYS Insurance Law

When calling the insurance company select the “Non-Member” option or follow the prompts to speak to a representative.

## ***REMEMBER!***

*Calling insurance companies is a billable service coordinator activity, as long as you speak to a representative.*

# How to Determine if an Insurance Plan is Regulated or Non-regulated by NYS Insurance Law

*"Is the insurance plan a fully insured policy issued in the State of New York?"*

*"Yes, the insurance plan is a fully insured policy issued in the State of New York."*

## **Insurance Plan is Regulated**

Ask the representative for a correspondence address to send  
**Request for Coverage Form**

*"No, the insurance plan is NOT a fully insured policy issued in the State of New York."*

**Insurance Plan is  
NYS Non-Regulated**

**Once again,**  
*Calling insurance companies is a billable service coordinator activity,  
because you spoke to a representative.*

# How to Determine if an Insurance Plan is Regulated or Non-regulated by NYS Insurance Law

The following is information received from some insurers regarding statements contained on their ID cards that would identify insurance plans that are self-funded and, therefore, **NOT** regulated.

Excellus – **For self-funded plans**, on the back of the ID card under the phone numbers is language that states Excellus BlueCross BlueShield, an independent licensee, provides Administrative Claims payment services only.

Empire – **For self-funded plans**, Healthchoice/Empire Healthchoice cards will have information similar to what is described above for Excellus.

MVP – **For self-funded plans**, an Employer group logo is included on the card along with the MVP logo. For example, the ID card will include the GE or IBM logo.

CDPHP – **For self-funded plans**, an Employer group logo is included on the card along with the CDPHP logo. 'CDPHN' is typically the sign indicating a self-funded plan.

United Healthcare – **For self-funded plans**, the ID card has the words “Administered by”. The ID card has the words “Insured by” for fully insured insurance plans.

Independent Health – **For self-funded plans**, the ID card describes coverage as “self-funded.”

# After Insurance Plan is Determined to be Regulated or Non-Regulated

## REGULATED INSURANCE PLAN

- *Authorization To Release Health Insurance Information*
- *Parent Letter Regarding Regulated Insurance*

## NON-REGULATED INSURANCE PLAN

- *Authorization To Release Health Insurance Information*
- *Parent Letter Regarding Non-Regulated Insurance*
- *Consent to Bill Non-Regulated Insurance*

**All signed forms must be given to EI providers serving the child or uploaded into the NYEIS application.**

# Consent to Bill Non-Regulated Insurance Form

## Please Read

I understand that I can decide if I wish to give my permission for my health insurance plan, which is not regulated by New York State Insurance Law, to be billed to help pay for the Early Intervention Program services my child and family receive.

I understand that my consent is voluntary, that I can revoke my consent at any time, and that the revocation of consent will not be retroactive.

I understand that if I give this permission, my insurance benefits may not be protected by State Insurance or Public Health Law and that my insurer may not be prohibited from:

- Applying the early intervention services to the policy's lifetime or annual monetary or visit limits.
- Discontinuing or not renewing my insurance coverage because my child receives early intervention services.
- Increasing my insurance premiums because my child is receiving early intervention services.

## Consent to Bill Non-Regulated Insurance

☐

I give my consent to my Early Intervention Program providers to access benefits through my health insurance plan, which is NOT regulated by New York State Insurance Law, to help pay for the early intervention services my child and family receive.

☐

I do NOT give my consent to my Early Intervention Program providers to access benefits through my health insurance plan, which is NOT regulated by New York State Insurance Law, to help pay for the early intervention services my child and family receive.

# Verifying Insurance Information

Verify a child's plan coverage dates, services covered, and confirm the accuracy of the spelling of the child's full name, date of birth and gender.

If Early Intervention records and insurance records do not match, the service coordinator must contact the child's family to determine which source is incorrect.

If the third party payer is the source of error the service coordinator must inform and assist the child's family to follow-up with the insurance company to correct the information.

***INCORRECT INFORMATION WILL AFFECT PROVIDER REIMBURSEMENT***

# Verify Insurance Information

- Insurance information must be verified prior to or at the time of each IFSP review.
- The Consent to Bill Non-Regulated Insurance form must be re-signed at **every** IFSP review if the family chooses to continue giving permission to bill Non-Regulated insurance.
- New forms must be completed if a child's insurance changes.
- The Collection of Insurance Information form must be updated to reflect when insurance information is reviewed at every IFSP meeting.

Insurance Information reviewed at 6 month IFSP:	date	initials	no changes	new form
Insurance Information reviewed at 12 month IFSP:	date	initials	no changes	new form
